From the Chairman's Desk

Businesses have a vital role to play in addressing the societal challenges. With this conviction, we have embedded Corporate Social Responsibility (CSR) deeply into our ethos and value system. It serves as the guiding principle for all our endeavours, driving us to create sustainable value for our stakeholders and contribute to the betterment of the communities we operate in.

Recognizing the diverse and evolving needs of these communities, we have taken a proactive approach by establishing a dedicated CSR department within our organization. This specialized division serves as a catalyst for effective engagement, ensuring that our social initiatives are meticulously planned, implemented, and monitored. By aligning our resources and expertise with the identified areas of concern, we strive to maximize the positive outcomes and generate sustainable solutions.

Our CSR initiatives encompass some of the vital focus areas viz; Education, Healthcare, Environmental Conservation, and Community Development. We believe that these pillars form the foundation for holistic growth and inclusive progress. Through strategic partnerships with government agencies, non-profit organizations, and other key stakeholders, we aim to leverage collective expertise, resources, and knowledge to create a lasting and transformative impact.

Education is the cornerstone of progress, and we firmly believe in its transformative power. It has the ability to rewrite the social landscape and unlock the immense potential of individuals. In our rapidly developing economy, education has emerged as a powerful tool that can fuel the growth of our nation.

The Vardhman School Development Program is a testament to our commitment to social responsibility and our unwavering belief in the power of education. It is a transformative initiative aimed at providing government schools with essential educational, sanitation, and technological facilities to foster the overall growth of students. We are proud to announce that 64,654 students have already benefited from this program. Through VSDP, we have witnessed remarkable responses in the communities where we have upgraded educational infrastructure. By investing in modern facilities, providing necessary resources, we strive to empower young minds. Besides education, Vardhman recognizes the imperative to address the healthcare needs of the society and aligns projects and programs accordingly. We aim to provide accessible, affordable, and effective health services with a particular focus on those from underprivileged backgrounds. To fulfil this commitment, we extend support to healthcare infrastructure in the hospitals situated near our manufacturing units. This support encompasses periodic provision of advanced medical equipment and financial contributions dedicated to aiding the treatment of economically disadvantaged patients.

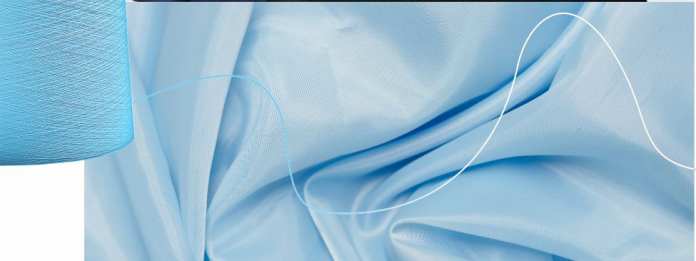

In line with steadfast commitment to healthcare, the Group constructed Physical Medicine Rehabilitation Centre (PMR) at CMC Hospital, Ludhiana. This facility boasts a comprehensive range of modern amenities, encompassing sensory, electrotherapy, general therapy, and physiotherapy equipment. Its establishment stands as a resounding testament to our dedication to augmenting healthcare facilities and positively impacting the lives of individuals in need.

Furthermore, environment conservation & sustainability lies at the core of Vardhman's value system, and we are committed to incorporating sustainable practices across all facets of our operations. As sustainability is a shared responsibility, it remains our constant effort to protect and preserve the delicate balance of ecosystems while contributing to the overall well-being of the planet.

As we move forward, we remain steadfast in our commitment to continuously enhance our CSR efforts. We embrace the challenges and opportunities that lie ahead, and we strive to evolve our strategies to address emerging societal needs effectively. In all our endeavours, we adopt an approach that aims to reach those who are truly in need—the deserving and the underprivileged. Our CSR initiatives are designed to uplift communities, create positive change, and contribute to the overall development of our society.

I extend my heartfelt gratitude to all our stakeholders, employees, and partners who have supported us in our CSR endeavours. Together, we can continue to make a difference and build a brighter future for all.

S P Oswal
Chairman & Managing Director

From the Vice Chairman's Desk

Emphasizing the significance of social responsibility within an organization's value system is paramount. When a business integrates social responsibility into its core values and culture, it permeates every aspect of its operations and decision-making processes. This integration ensures that social responsibility is not viewed as an optional or secondary undertaking but rather as an indispensable guiding principle that shapes the organization's conduct and work practices.

At the heart of Vardhman's philosophy lies a deep-rooted commitment to social responsibility. We recognize the importance of addressing persistent societal issues and strive to make a meaningful difference in the lives of individuals, communities, and the environment. We have identified few key areas where we can make a significant impact, viz Education, Healthcare, Environmental Sustainability, and Community Empowerment. By focusing on these pillars, we aim to create a harmonious balance between economic growth and social progress, fostering a more inclusive and equitable society for all.

First and foremost, Vardhman firmly believes that education is the key that unlocks numerous Sustainable Development Goals (SDGs). Quality education is a powerful tool that enables individuals to break free from the cycle of poverty, reduces inequalities, and promotes gender equality. It empowers people to lead healthier and more sustainable lives while fostering acceptance and contributing to the creation of more peaceful societies.

The Vardhman Group has received recognition for its school development program (VSDP) under CSR initiatives. So far, we have covered 165 Government Schools and 78 Anganwadis, providing them with well-equipped classrooms, toilet blocks, computer and science labs, as well as amenities like water coolers with purifiers, student desks, and computer systems. Our commitment to enhancing educational infrastructure and creating conducive learning environments is exemplified by this program.

Healthcare is another critical aspect of our CSR agenda. We recognize that access to proper healthcare is a fundamental right for all individuals. Through strategic partnerships with healthcare institutions and organizations, we aim to improve healthcare access, promote preventive care, and address the healthcare needs of vulnerable communities. By investing in healthcare infrastructure, raising awareness, and supporting healthcare professionals, we strive to make a lasting impact on the well-being of communities.

Through our project 'Nandini,' we are fervently championing menstrual hygiene awareness among adolescent girls in schools and rural women. By shattering taboos and ensuring access to proper menstrual health management, we are empowering girls and women to embrace dignified and healthy lives. With pride, we can say that 21,534 adolescent girls have already benefitted from our impactful initiative, and we are committed to reaching even more.

Environmental sustainability is a key priority for us as we acknowledge the urgent need to address climate change and protect our planet's precious resources. We are committed to reducing our ecological footprint by adopting sustainable practices, investing in renewable energy, and minimizing waste generation. Our aim is not only to mitigate our own environmental impact but also to inspire and influence others to embrace sustainable practices, creating a greener future for all.

Our unwavering commitment to corporate social responsibility extends to the holistic development of rural communities. Through our dedicated focus on rural development, we strive to uplift these communities, fostering progress and enhancing their quality of life. By working towards creating a more equitable society, we aim to bring about lasting positive change and leave no one behind.

Moreover, we recognize the significance of promoting sports, art, and culture. These aspects play a vital role in nurturing talent, fostering creativity, and providing a platform for self-expression. By supporting and encouraging these endeavors, we aim to empower individuals and contribute to the cultural fabric of our society.

Let us forge ahead on this remarkable journey of social responsibility.

Suchita Oswal Jain
Vice-Chairman & Joint Managing Director

Group Journey

About Vardhman

Vardhman is one of the largest vertically integrated textile manufacturers revered highly for its work-ethics and value system. With a turnover of more than a billion-dollar, we produce 2,40,000 tons of yarn and weave over 220 million metres of fabrics. Currently, we have largest spindle capacity in India - 1.24 million spindles. We deliver quality products to over 75 countries globally besides providing employment opportunities to over 30,000 people through its 18 state-of-the-art manufacturing facilities strategically located across 4 states – Punjab, Himachal Pradesh, Madhya Pradesh and Gujarat with Corporate Office in Ludhiana, Punjab.

Amit Jain
AVP – CSR

From the CSR'S Desk

I am proud to associate myself as part of Vardhman, a company whose values are deeply ingrained with the principles of Corporate Social Responsibility (CSR). At Vardhman, CSR is not just a government-imposed regulation, but our heartfelt desire to support as many people as possible. Over the years, we have earned a valued reputation for being thoughtful towards our communities and our brand promise of “Delivering Excellence” has influenced our CSR journey and earned us respect of the communities we serve.

Our CSR initiatives aimed at establishment a culture where people of all races, religions and cultures can live and work together peacefully for the common benefit. With the motto ‘V Care, V Build’, we actively engage in initiatives that uplifts the lives of the people, develop society and safeguard the environment. All our CSR initiatives are need-based and developed on a self-sustaining model, ensuring their long-term impact.

Our flagship programmes, **Nandini** and **Vardhman School Development Program** have positively impacted the lives of many and are well recognized by society and industry. It is truly gratifying to see how our initiatives are benefiting the deserving sections of the society. Moving forward, we remain committed to working towards Education, Medical Care, Rural Development and the Environmental Conservation.

In the field of education, we have provided infrastructure support to over 165 Government Schools and 78 Anganwadis. Besides this we equipped hospitals, with advanced healthcare equipment where people from far and wide come for treatment. Our goal is to take healthcare to the masses, and we shall keep on providing healthcare equipment, infrastructure and other facilities to local dispensaries and hospitals.

We are constantly evaluating our programs to develop solutions that have greater impacts, while also being scalable and consistent. We rely on the ongoing support of all our stakeholders, as it will help us reach more people and make a more significant impact.

At Vardhman, CSR is not just a checkbox, but a core part of our values and identity. We are committed to make a positive difference in the lives of people and communities we serve, and we will continue to strive for excellence in our CSR initiatives.

CSR Overview

At Vardhman, we take pride in our commitment to fostering inclusive growth and shared prosperity, not only for our shareholders but also for our employees, marginalized communities, and the environment. The Group recognize its responsibility towards the community and has consistently made sincere efforts to enhance the lives of individuals in vulnerable socioeconomic groups. We view CSR as a critical business decision, aligning with our commitment to making a positive impact. We wholeheartedly strive to maximize the positive outcomes of our initiatives by dedicating the same level of diligence and meticulousness as we do to our business objectives. Our focus lies in uplifting underprivileged, disadvantaged, and deserving communities through a range of participatory and need-based initiatives.

Encouraging Better Future

Education is the cornerstone of societal development, nurturing and enhancing the knowledge, skills, attitudes, and values that shape the world we live in. It plays a pivotal role in fostering social cohesion and equipping individuals to become competent and engaged citizens. True empowerment is attained through education, as it enables individuals to take charge of their lives and make meaningful contributions to society. Shri S P Oswal (CMD, Vardhman Group) firmly believes that the "Future of the world lies in the classroom of today." Inspired by this profound ideology, Vardhman Group has initiated the Vardhman School Development Program (VSDP), aiming to revolutionize education and shape the world of tomorrow.

Shri S P Oswal (CMD, Vardhman Group) performed the foundation stone-laying ceremony for the new Academic Building at Sri Aurobindo College of Commerce and Management (SACCM), Ludhiana with Mr. D K Sindwani (Director, Corp. Affairs, Vardhman Textiles) and Dr. Vishal Kumar (Principal, SACCM)

Mr Pradeep Agarwal (IAS, Deputy Commissioner, Ludhiana) and Ms Suchita Oswal Jain (VC & JMD, Vardhman Textiles) performed the foundation stone-laying ceremony of Vardhman Block at Govt. High School, Lohara, Ludhiana

Inauguration of Vardhman Block at Govt. High School, Lohara, Ludhiana by Ms Sagrika Jain (ED, Vardhman Textiles)

The MoU was signed between Prof. PK Khosla (Chancellor, Shoolini University) and Shri Prafull Anubhai Patel (Director and Chairman, CSR) in the august presence of Shri S P Oswal (CMD, Vardhman Group)

Vardhman School Development Program

The Vardhman School Development Program is an innovative and comprehensive initiative designed to enhance the quality of education and foster holistic development among students. Through this program, Vardhman endeavors to create modern and conducive learning environment within classrooms. It emphasizes the implementation of advanced teaching methodologies, interactive learning tools, and technology-driven solutions to make education more engaging, effective, and impactful.

As part of the program, our primary focus is on enhancing the infrastructure of government schools and creating an environment that fosters effective learning. We have undertaken various initiatives, including the construction of classrooms, toilet blocks, and computer labs, in addition to providing essential furniture, water coolers, RO purifiers and other necessary amenities to these schools. In line with our commitment to promoting quality education, we have also implemented a scholarship program to support deserving students, with a particular emphasis on empowering young girls.

- Vardhman Block at Govt. Girls Middle School, Mandideep, Madhya Pradesh.
- Renovation of Classrooms at Nishkam Vidya Mandir, Ludhiana.

Key Highlights

Creating Timeless Benefits

The availability and accessibility of healthcare facilities are indispensable for human life. In smaller cities, patients often have to rush to bigger cities for treatment due to the unavailability or inadequacy of medical facilities. Ensuring efficient equipment maintenance is of utmost importance to provide quality care to our society. At Vardhman, we continually assess the healthcare needs of our society and design our programs accordingly. To strengthen the healthcare infrastructure of hospitals located near our manufacturing units, we regularly provide them with advanced medical equipment, in addition to making financial contributions for the treatment of economically disadvantaged patients.

Constructed well-equipped state-of-the-art Physical Medicine Rehabilitation Center (PMR) at CMC Hospital, Ludhiana. The facility is completely furnished with modern amenities, including sensory, electrotherapy, general therapy and physiotherapy equipment. Inaugurated by Smt. Surabhi Malik (IAS, Deputy Commissioner, Ludhiana) in the august presence of Shri S P Oswal (CMD, Vardhman Group) & Ms Suchita Oswal Jain (VC & JMD, Vardhman Textiles).

Contributed Rs. 260 lac for the renovation and revamping of Multi-Speciality Private Ward 15 and Ward 25 at CMC Ludhiana. Inaugurated by Shri S P Oswal (CMD, Vardhman Group) along with Ms Suchita Oswal Jain (VC & JMD, Vardhman Textiles). The Multi-Speciality Ward is specifically catering to the Bone Marrow Transplant (BMT) and Myeloma patients.

Constructed 2000 sq. Ft. Area Waiting Hall with other facilities at Government Multispecialty Hospital, Sec 16, Chandigarh. The Waiting Hall is constructed for patient's attendees to protect them from harsh environment conditions. Inaugurated by Shri Dharampal (IAS, Chandigarh) in the presence of Ms Sagrika Jain (ED, Vardhman Textiles).

Inauguration of Echocardiography Services Unit with latest equipment at Civil Hospital, Ludhiana by Shri Ravneet Singh Bittu (Member of Parliament, Ludhiana) in the august presence of Shri S P Oswal (CMD, Vardhman Group)

Contributed Rs. 1 cr in 108 Bedded ENT Block at Bhagwan Mahavir Hospital, Lachwar, Jamui, Bihar. Inaugurated by Mr. Neeraj Jain (JMD & Yarn Business Head, Vardhman Textiles)

In a remarkable effort to bolster healthcare infrastructure, a wide range of medical equipment were provided including Ultrasound Machine, Digital X Ray Machine and Lab equipment to various Civil Hospitals, Community Health Centers and Charitable Hospitals of Punjab, Himachal Pradesh and Madhya Pradesh. Medical equipment worth Rs. 100 lac was contributed to Civil Hospital, Ludhiana, strengthening their capacity to deliver high-quality healthcare services to the local community. Additionally, a noteworthy contribution of medical equipment worth Rs. 300 lac was made to CMCH Ludhiana, specifically focusing on neurosurgery.

A total contribution of Rs. 205 lac was made to the Poor Patients Fund of DMC Hospital & Managing Society in Ludhiana, underscoring a deep commitment to providing essential medical treatment to individuals from Below Poverty Line (BPL) and economically disadvantaged backgrounds. Mr. Neeraj Jain (JMD & Yarn Business Head, Vardhman Textiles) & Mr. D K Sindwani (Director, Corp Services, Vardhman Textiles) handing over the cheque to Mr. Bishav Mohan (Chief Cardiologist, DMCH, Ludhiana).

A total contribution of Rs. 116 lac extended to the Advance Eye Centre at PGIMER Chandigarh, dedicated specifically to corneal eye transplantation procedures for impoverished patients, with a special focus on Below Poverty Line (BPL) families. Additionally, a generous contribution of Rs. 160 lac was made to the Poor Patients Welfare Fund of PGIMER Chandigarh, aimed at providing vital medical treatment to individuals from marginalized sections of society.

A total contribution of Rs. 60 lac was made for the establishment of Tissue Engineering Facility at All India Institute of Medical Sciences (AIIMS), Bhopal

Other CSR Initiatives, Battle against Covid 19

- Constructed Pediatric Block, Waiting Shed for Attendants, Canteen Building, Boundary Wall and provided medical equipment at St. Joseph Hospital, Hoshangabad, Budhni, MP worth Rs. 120 lacs.
- A generous donation amounting to Rs. 108 lac was dedicated to the DDCF (Digestive Diseases Care Foundation), Ludhiana for the treatment of patients suffering from Hepatitis B and C.
- A contribution of Rs. 104 lac was bestowed upon CMCH's Hematology Department, aiming to enhance cancer care for patients.
- Upgraded Health and other facilities by providing Mechanized Kitchen and Laundry services in District Hospital, Sehore, (M.P) & District (Govt.) Hospital, Hoshangabad, Budhni, MP worth Rs. 76 lac.
- Contributed Rs. 60 lac to Mandke Foundation for treatment of poor patients in Rehabilitation Centre of Kokilaben Hospital, Mumbai, Maharashtra.
- A contribution of Rs. 27.10 lac was made to the Indian Association of Muscular Dystrophy (IAMD). This vital funding was dedicated to the completion of a Hydrotherapy Pool at their Solan Hospital, enabling the provision of essential hydrotherapy treatment to patients with Muscular Dystrophy (MD).

With unwavering commitment, a remarkable contribution was made to combat the Covid-19 pandemic. A generous sum of Rs. 700 lac was contributed to the PM Cares Fund, channelling support towards the nation's collective resilience. Additionally, Rs. 300 lac were contributed to the State Disaster Management Authorities of Punjab, Himachal Pradesh and Madhya Pradesh, amplifying efforts at the regional level.

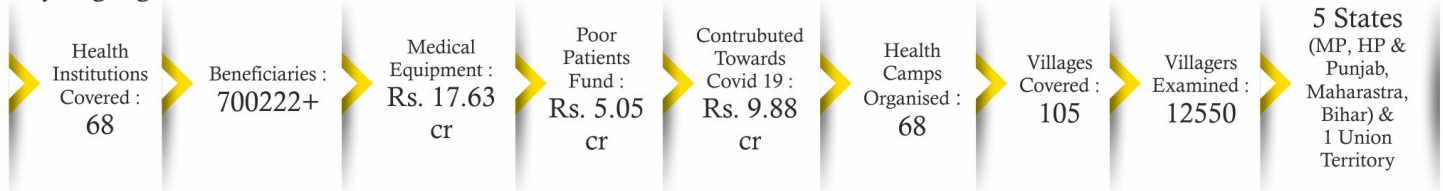

Mr. Shivraj Singh Chauhan (Chief Minister, MP), visited Covid Care Centre in Nashurallaganj, Madhya Pradesh set up by Vardhman

The distribution of masks, PPE kits, oxygen cylinders, and rations, along with the creation of makeshift hospitals in Madhya Pradesh, Punjab, and Himachal Pradesh, fortified the frontlines in the relentless fight against the virus. Covid Care ICU Beds and Medical Equipment worth Rs. 200 lac to CMCH, Ludhiana exemplified the commitment to strengthen healthcare infrastructure.

Key Highlights

In Spotlight : Project Nandini

To promote Menstrual Hygiene Management (MHM) and challenge the social stigma surrounding menstruation, we initiated Project Nandini in 5 Government Schools of Ludhiana (Punjab) in 2019. The response from schools was overwhelmingly positive, leading to the expansion of the project to include 19 government schools within a short period.

Encouraged by the success, we have now extended the project to the Baddi region in Himachal Pradesh and the Budhni region in Madhya Pradesh, encompassing 8 slums in addition to the existing 19 government schools and 7 villages. As of now, this program has positively impacted over 6,545 adolescent girls and provided menstrual hygiene education to 14,989 villagers.

Under the project, we organize informative sessions aimed at empowering young girls to understand the natural and biological aspects of menstruation, dispelling any prevailing myths. Furthermore, we have installed sanitary napkin vending machines in schools to ensure convenient and affordable access to hygienic sanitary napkins. Additionally, we have set up incinerators to facilitate the safe disposal of used sanitary napkins.

Key Highlights

Strengthening Rural Communities

Vardhman is deeply dedicated to bridging the access gap and addressing the obstacles encountered by rural communities in fulfilling their essential requirements. We are committed to several crucial initiatives, including Rural Infrastructure Development, Water and Rural Sanitation, Capacity Building of Farmers and Solar Electrification. These efforts aim to uplift rural areas, enhance quality of life, and foster sustainable development for the benefit of all community members.

In order to ensure the provision of safe drinking water, we implemented the installation of Borewells and Hand Pumps in the neighbouring villages of Budhni unit in Madhya Pradesh.

Additionally, we installed 100 Solar Street Lights across 15 villages surrounding Vardhman Fabrics, Budhni. Furthermore, we provided Steel Benches for the Bus Stands in the Hoshangabad region of the state.

We extended our support towards the construction of a Community Hall in Kalujanda village, Baddi, Himachal Pradesh. Moreover, as part of our efforts in the state, we successfully installed 90 Solar Lights across 37 villages in the Paragpur constituency, spanning Kangra and Mandi districts.

To empower farmers, we actively operate Project Pragati under Better Cotton Initiative. This project encompasses various activities aimed at enhancing farmer training, raising health awareness, promoting women and child development, and more. Additionally, we provide financial contributions to the Cotton Development & Research Association (CITI-CDRA) to support their research efforts in developing better-quality cotton. Through these endeavors, we strive to uplift farmers, improve their livelihoods, and contribute to the advancement of the cotton industry.

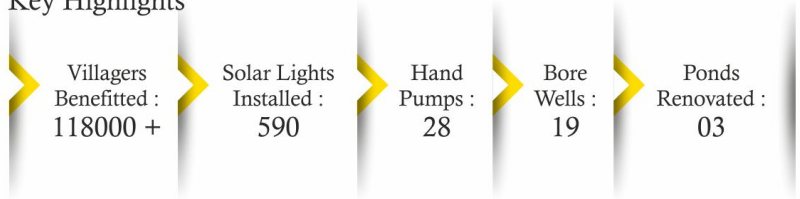

Renovation/cleaning of villages pond for safe drinking water and ground water recharges.

Other CSR Initiatives

- Constructed Community Hall for community function at Village Gullarwa, Baddi, Himachal Pradesh.
- Constructed Public Toilets & Community Toilets in villages and public places.
- Constructed Villages drains to improve sanitation facilities for villagers in Himachal Pradesh & Madhya Pradesh.
- Constructed Bus shelter in Himachal Pradesh , Madhya Pradesh & Punjab.
- Organised & sponsored local fare to promote rural arts and crafts.

Key Highlights

Nurturing the Nature

Key Highlights

As part of our dedicated efforts to establish and expand green belts, Vardhman has successfully planted over 4.55 lac trees, contributing significantly to the creation of a greener and more sustainable environment for society. Through this initiative, we aim to combat deforestation, enhance biodiversity, and mitigate the adverse effects of climate change.

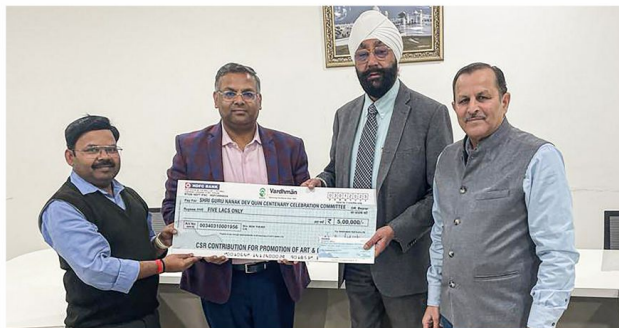

With every tree planted, we take a step closer to creating a healthier, more sustainable world for current and future generations. Together, we can make a lasting impact and ensure a greener environment for all. These trees serve as vital allies in purifying the air, conserving water, providing habitats for wildlife, and beautifying our surroundings.

Inspire Sporting Expressions

Vardhman passionately creates spaces and opportunities for talent to flourish, nurturing an environment where creativity thrives and traditions are cherished. We actively promote diverse sporting activities, empowering young athletes to strive for excellence and reach their full potential. Additionally, Vardhman acknowledges the essential role of art and culture in enriching society and preserving our collective heritage.

In our commitment to promoting Health and Fitness, we have taken significant initiatives. Firstly, we have constructed the state-of-the-art Indore Badminton Hall, providing a modern and well-equipped facility for the enthusiasts of the sport. Additionally, we have supplied gym equipment to Police DAV Public School, Police Line, Ludhiana, enabling students to embrace an active and healthy lifestyle.

In our efforts to support cultural heritage, we have provided financial assistance to the Guru Nanak Dev Committee to help complete the remaining work on the Seminar Hall in Ludhiana. This contribution ensures the preservation and enhancement of a space dedicated to the promotion of cultural and intellectual pursuits.

Ms Suchita Oswal Jain (VC & JMD, Vardhman Textiles) handing over cheque to Ms. Malika Goal, a silver medallist in shooting at the Asian Games for supporting her training needs. Additionally, we supported Mr. Akash Mehra, a Paralympic player, by providing funds for him to upgrade his artificial legs. This assistance ensures that he can continue his sporting journey and achieve even greater milestones. By doing so, we aim to empower and uplift athletes, enabling them to reach their full potential.

Furthermore, our commitment to promoting traditional arts and culture is manifested through our support of the SAPTAK Annual Music Festival under the project Sangeet Sankalp Saptah. Additionally, we have extended our support to the Bhopal Literature & Art Festival, recognizing the importance of literature and art in our society.

Through these initiatives, we aim to create a holistic impact, promoting health, fitness, heritage, and the arts, thus enriching the lives of individuals and communities.

Expressing Gratitude to Brave Hearts

As a gesture of deep gratitude and appreciation towards the brave veterans of our armed forces, Vardhman has undertaken various welfare initiatives to support and honour their sacrifices. In collaboration with the Kendriya Sanik Board and District Sanik Board in Ludhiana, we have made significant financial contributions to assist in their endeavours to provide support and welfare services to the ex-servicemen.

In a heartfelt effort to improve the lives of our esteemed veterans, we have provided essential resources to 63 Rashtriya Rifles (Bihar). This includes the donation of 150 blankets, 100 track suits, and 50 wheelchairs for the ex-servicemen and Veer Naaris, recognizing their valor and dedication.

We have presented 100 blankets to the veterans of the 1971 war, recognizing their invaluable contributions and sacrifices.

In line with its commitment to corporate social responsibility, Vardhman Textiles Limited, has contributed Rs. 50 lac under its CSR initiative, to support families of martyrs of Central Armed Paramilitary Forces comprising BSF, CRPF, CISF, ITBP, NDRF, NSG, SSB and Assam Rifles.
